

Dear Friends,

A mild winter was a treat for all of us, but aren't we still anticipating the warm summer breezes when we can get outside for cookouts and outings with friends and family? The residents at the Assisted Living Center – Salisbury are ready for the cookouts, the tomatoes in the garden, the outdoor concerts and the ice cream extravaganzas.

The residents (and the many friends and neighbors in the community that join in their events) look forward to summer time due in large part to our friends in the community such as yourself that have been so generous in giving to our Assisted Living Center's Annual Summer Activity Fund Drive each year. In past years, with your help, we have helped the Center to provide for the residents and their friends:

- Cookouts at least twice a week;
- Picnic furniture that is accessible even for wheelchairs;
- Transportation and admission to outdoor music festivals;
- Outdoor entertainment in their own back yard;
- Plants, soil and mulch for the resident's vegetable and flower gardens;
- A penny carnival;
- Picnics at the beach;
- A seafood festival;
- And so much more!

The residents and staff there have lots of ideas and plenty of enthusiasm. You can help provide the financial support to make these activities a reality again this summer. Your help goes a long way to improving the quality of life for seniors in this region.

Whether you can help us in this fund drive or not, we hope you will stop by and share some summer fun with the group at the Assisted Living Center - Salisbury.

Sincerely,

Arthur Signorelli
President
